University of California, Davis Chapter
Active Member Packet
Spring 2021

CHI EPSILON

CIVIL ENGINEERING HONOR SOCIETY

Chi Epsilon National Civil Engineering Honor Society
University of California, Davis Chapter
Active Member Packet
Spring 2021

Active Member Packet

All current Chi Epsilon member requirements listed below are mandatory to maintain active member status for the 130th Chi Epsilon Chapter of University of California, Davis. Active member status allows all students to qualify for stoles during graduation, as well as an opportunity to connect with incoming members of the chapter.

Active member status must be maintained the quarter following current member's initiation into the chapter and until graduation from the Civil and Environmental Engineering Program at University of California, Davis.

Stoles can be purchased with a \$27.50 payment to the Chi Epsilon Secretary. If a stole is purchased but active member status is not met, you will be reimbursed. Please submit the payment by **April 16th, 2021** for 2021 graduating seniors. More information will be provided regarding stoles.

If you are unable to complete a requirement due to a scheduling conflict or personal reasons, please email the Chi Epsilon President at ucdavisxe@gmail.com regarding the issue.

Active Member Requirements

All events are posted in the UCD XE website.

- Attend First General Meeting Wednesday, April 7 @7PM
- Attend 1 Social Event during the quarter
- Attend 1 Workshop during the quarter
- Attend Pledge Initiation Ceremony
